ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

Evaluation

COURSE OBJECTIVE

The objective of this course is to update DDA careerists' awareness and understanding of current activities, problems and trends in the Administration Directorate and its components.

A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

1 2 3 4 5 6 7

B. Please describe how you see the program benefiting you.

This is the first introductory course I have attended. It served not only as an update but actually as an insight into the organization and mission of the Agency. As a personnel careerist, this insight is invaluable to me.

C. Given your present assignment, what segment of the program did you find least useful?

Least useful to me but one of the more interesting presentations was from Security, in particular the polygraph information. This may not be useful in my current job, but it is very much a part of the Agency and must be included in such a course.

D. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

Yes. It was helpful and encouraging to hear that the Agency is attempting to bridge the communications gap between work force and management. The information regarding who to contact, where to go, etc. was most helpful

E. We welcome your suggestions for improving this course:

Could it be longer - to allow more time for development of talks?
